Lord Edward proposed beginning a shire newsletter and posting monthly meeting minutes in it. Sir Morgan Olander proposed mailing out said newsletter, positions were discussed and it was determined that all options would be researched on the points of cost and time availability for the publishing of said newsletter.

Einar asked about event preparations at which time Lord Mordan (autocrat) reported. At this time there is no precise date or location though the most likely place is the Cumberland Center. He has begun putting together the features of the event. THL Celeste suggested a camp located here in town at which time Lord Mordan stated that that site had been reviewed and determined unacceptable. Lord Edward proposed a Boy Scout camp near Gate 10 and after some discussion it was agreed that this site should be researched for cost and size. Sir Morgan proposed the time frame of having a definite site by July and after discussion it was determined that, due to time frame restrictions on posting events in the Kingdom newsletter that the site should be determined by mid-May.

Sakura suggested the idea of checking with other local groups to see if we could hold fundraiser luncheons at their events. After some discussion it was agreed that this be looked into.

Sir Morgan brought up the subject of the yahoo-group. Einar has been attempting to get into contact with the registered owner in order to have an officer take over the position. Until he can contact her Lord Anton will attempt to access his old moderator login in order to change the out-of-date description. Sir Morgan suggested that once the ownership issue of the group is resolved that all of the officers hold moderator positions.

Suggestion of producing a shire version of the Forward into the Past pamphlet was made and some discussion occurred but no definite decision made.
