### **HERALD — NICCOLO TALENTI**

Not present.

## Old Business

### **WAR COLLEGE**

We have the Long Hunter State Park site for Saturday, 5/23 and Sunday, 5/24.

Edward is the autocrat. There are several classes scheduled. The "troll" gate will need volunteers. Brian & Fauna were suggested to see if they can volunteer. Gene will be doing the cooking for lunch.

The web site link for the War College event on the Kingdom web site is not currently working. Celeste was going to have Sakura see if it can be fixed ASAP.

### **BLACK ROSE**

The event will be late August, Sir Mordan is the autocrat. Mordan will check with the site owner about the \$75 reservation deposit and when it is due. There was the suggestion of a "quest" game at the event, details to be determined.

## New Business

### **ADVERTISING IDEA**

Celeste brought up the idea of creating bookmarks which would be distributed to local bookstores. They have done this in Vulpine Reach with some success in attracting new members. They spent about 10 cents per bookmark. A motion passed to spend up to \$50.00 from the Shire Treasury to purchase some for our shire. When a design is completed it will be posted to the Crimson River Yahoo Group site for review.
